

Appendix 1: List of villages along the upper Chindwin River involved in the TSA/WCS Burmese Roofed Turtle Conservation Project. Population figures are approximate and derived from social surveys conducted in late 2016 by a combined WCS/TSA and National University of Singapore team. Information on number of households and population was initially provided by village headmen. Villages arranged alphabetically in this table.

Village	Coordinates		Ethnicity	Households	Population
	Latitude (N)	Longitude (E)			
Chaung Wa	25 48.318	095 32.516	Shan, Naga, Burmese	45	289
Limpha	25 48.461	095 32.714	Shan	34	179
Mein Naung	25 50.859	095 35.518	Shan	44	260
Padumone	26 00.240	095 42.080	Shan and Naga	42	271
Sein Nan	25 56.439	095 36.207	Naga	63	405
Kaung Hein	25 40.486	095 24.925	Shan and Burmese	68	1062
Kyar Kite	25 49.516	095 32.736	Shan and Naga	78	305
Total				374	2771
