

Key Biodiversity Areas and CEPF Investments in the Philippines

Hotspot-wide:
Defining and Monitoring Conservation Outcomes for the Philippines
National Prioritization System for GEF and Other Donors' Biodiversity Conservation Investment in the Philippines

Corridor-wide:
A 10-Year Framework Plan for Ecotourism in the Sierra Madre Biodiversity Corridor, Philippines
Corridor Facilitation and Protected Area Management of Core Nuclei within the Sierra Madre Biodiversity Corridor
Establishing the Link between Biodiversity and Human Well-Being: Developing a Suitable Framework under Philippine Conditions
Protected Area Design and Management of Core Nuclei Within the Sierra Madre Biodiversity Corridor
Strengthening Conservation Efforts and Land Use on the Northern Sierra Madre Corridor through the Regional Geographic Information Network
Establishing the Link between Biodiversity and Human Well-Being: Developing a Suitable Framework under Philippine Conditions
Strengthening Corporate and Philanthropic Support for Biodiversity Conservation

Region-wide:
Strengthening Conservation Efforts and Land Use on the Northern Sierra Madre Corridor through the Regional Geographic Information Network
KBA-focused:
Building Partnerships for Sustainable Management of Critical Watersheds in the Sierra Madre's Palali-Mamparang Mountains
IEC and Awareness Campaign for the Sustainable Resource Management at the Critical Watersheds of the Sierra Madre's Palali-Mamparang Mountain Range

Species-focused:
Integrated Conservation and Protection of the Philippine Crocodile in Bays Reina Mercedes (Blos) and Aplaya, Maconacon, Isabela
nabling Communities and Ancestral Domain Stakeholders to Improve Natural Resource Management

Species-focused:
Building Critical Stakeholder Support for Conservation of the Philippine Eagle Population along the Sierra Madre Mountain Range (Cagayan, Isabela, Aurora and Quirino)

KBA-focused:
Design and Management of the Northeastern Cagayan Conservation Corridor

KBA-focused:
Enabling Communities and Ancestral Domain Stakeholders to Improve Natural Resource Management

KBA-focused:
Sierra Madre Forest Gardens Program

Species-focused:
Enlarged Scales: Strengthening Philippine Crocodile Conservation in the Sierra Madre Corridor

KBA-focused:
Expansion of the Aurora Memorial National Park

- | KBA # | KBA Name |
|-------|--|
| 1 | Batanes Islands Protected Landscape and Seascape |
| 2 | Babuyan Islands |
| 3 | Kalbario-Pasapat National Park |
| 4 | Apayao Lowland Forest |
| 5 | Balabasang-Balabtan National Park |
| 6 | Mt. Pulag National Park |
| 7 | Buguey Wetlands |
| 8 | North Eastern Cagayan Protected Landscape and Seascape |
| 9 | Peñablanca Protected Landscape and Seascape |
| 10 | Northern Sierra Madre National Park |
| 11 | Malasi Lake |
| 12 | North Central Sierra Madre Mountains |
| 13 | Quirino Protected Landscape |
| 14 | Casecan Protected Landscape |
| 15 | Aurora Memorial National Park |
| 16 | Mt. Dingalan |
| 17 | Angat Watershed Forest Reserve |
| 18 | Mts. Ind-Anglo and Binuang |
| 19 | UP Land Grant |
| 20 | Pollilo Island |
| 21 | Zambales Mountains |
| 22 | Candaba Swamp |
| 23 | Bataan Natural Park and Subic Bay Forest Reserve |
| 24 | Mariveles Mountains |
| 25 | Manila Bay |
| 26 | Mts. Palay-Palay Mataas-na-Gulod National Park |
| 27 | Taal Volcano Protected Landscape |
| 28 | Mt. Makiling Forest Reserve |
| 29 | Mts. Banahaw-San Cristobal Protected Landscape |
| 30 | Quezon Protected Landscape |
| 31 | Pagbilao and Tayabas Bay |
| 32 | Lalaguna Marsh |
| 33 | Ragay Gulf |
| 34 | Mt. Labo |
| 35 | Mt. Kulas |
| 36 | Mt. Isarog National Park |
| 37 | Caramoan Peninsula |
| 38 | Catanduanes Watershed Forest Reserve |
| 39 | Bacon-Manito |
| 40 | Bulusan Volcan National Park |
| 41 | Marinduque Wildlife Sanctuary |
| 42 | Mt. Calavite Wildlife Sanctuary |
| 43 | Puerto Galera |
| 44 | Mt. Halcon |
| 45 | Lake Naujan National Park |
| 46 | Iglib-Baco Mountains |
| 47 | Siburan |
| 48 | Malpalon |
| 49 | Mt. Hiding |
| 50 | Mt. Hinunduang |
| 51 | Apo Reef Marine Natural Park |
| 52 | Calauit Island |
| 53 | Busuanga Island |
| 54 | Culion Island |
| 55 | Coron Island |
| 56 | El Nido Managed Resource Protected Area |
| 57 | Malampaya Sound Protected Landscape and Seascape |
| 58 | Lake Mangouao |
| 59 | Dumaran-Araceli |
| 60 | San Vicente-Taytay-Roxas Forests |
| 61 | Puerto Princesa Subterranean River National Park |
| 62 | Clopatra's Needle |
| 63 | Victoria and Anepanan Ranges |
| 64 | Mt. Mantalingahan |

- | KBA # | KBA Name |
|-------|---|
| 65 | Rasa Island |
| 66 | Ursula Island |
| 67 | Balabak Island |
| 68 | Tubbataha Reef National Marine Park |
| 69 | Mt. Gutting-gutting Natural Park |
| 70 | Romblon Island |
| 71 | Balogo Watershed |
| 72 | Northwest Panay Peninsula Natural Park |
| 73 | Central Panay Mountains |
| 74 | South and North Gigante Island |
| 75 | Northern Negros National Park |
| 76 | Mt. Canton Natural Park |
| 77 | Ban-ban |
| 78 | Southwestern Negros |
| 79 | Cuernos de Negros |
| 80 | Mt. Bandila-an |
| 81 | Mt. Capayas |
| 82 | Central Cebu Protected Landscape |
| 83 | Mactan, Kalawisan & Cansaga Bay |
| 84 | Ongao Island |
| 85 | Nug-as & Mt. Lantoy |
| 86 | Mt. Kangbulagsing and Mt. Lanaya |
| 87 | Samar Island National Park |
| 88 | Biliran and Maripipi Island |
| 89 | Anonang-Lobi range |
| 90 | Mt. Nacodol |
| 91 | Talilon Protected Landscape and Seascape |
| 92 | Rajah Sikatuna Protected Landscape |
| 93 | Mt. Kambinlo and Mt. Redondo |
| 94 | Siargao Island Protected Landscape and Seascape |
| 95 | Mt. Hilong-hilong |
| 96 | Mt. Diwata range |
| 97 | Agusan Marsh Wildlife Sanctuary |
| 98 | Bislig |
| 99 | Mt. Agtuangan and Mt. Pasian |
| 100 | Mt. Kampilii-Puting Bato |
| 101 | Mt. Hamiguitan Range Wildlife Sanctuary |
| 102 | Timpoong and Hibok-hibok National Monument |
| 103 | Mt. Balatukan |
| 104 | Mt. Kaluayan-Mt. Kinabalian Complex |
| 105 | Mt. Tago Range |
| 106 | Mt. Kianglad Range Natural Park |
| 107 | Mt. Kailatungan Range Natural Park |
| 108 | Munai / Tambu |
| 109 | Lake Lanao |
| 110 | Mt. Pagayungan |
| 111 | Mt. Sinaka |
| 112 | Mt. Apo Natural Park |
| 113 | Ligawasan Marsh |
| 114 | Mt. Daguma |
| 115 | Mt. Busu-Kimba |
| 116 | Mt. Malindang Protected Landscape |
| 117 | Mt. Latican Complex |
| 118 | Mt. Malindang Natural Park |
| 119 | Mt. Dapiak-Mt. Paraya |
| 120 | Mt. Sugarloaf |
| 121 | Mt. Timolan Protected Landscape |
| 122 | Lituban-Quipit Watershed |
| 123 | Pasonanca Natural Park |
| 124 | Basitan Natural Biotic Area |
| 125 | Mt. Dajo National Park |
| 126 | Tawi-tawi Island |
| 127 | Simunul and Manuk Manka Islands |
| 128 | Sibutu and Tumindao Islands |

Corridor-wide:
Palawan Biodiversity Corridor Facilitation
Palawan Strategy Development Project
Establishing the Link between Biodiversity and Human Well-Being: Developing a Suitable Framework under Philippine Conditions
Strengthening Corporate and Philanthropic Support for Biodiversity Conservation

Species-focused:
Status and Dynamics of Trade of Heosemys Leytensis (Busuanga, Balabac, Coron, Culion, Dumaran and Aborlan)

KBA-focused:
Community Enforcement Initiative to Stop Poaching and Illegal Forest Destruction in Palawan

KBA-focused:
Southern Palawan Anti-Poaching Initiative

KBA-focused:
Enhancement of Educational Park as Reforestation Training Center (Phase II)
Establishing an Educational Nature Park to Build Local Capacity for Restoring Wild Habitats
Building Conservation Capacity through Research of Threats to Key Birds in the Palawan Corridor

KBA-focused:
Creating a New Protected Area for the Mantalingahan Range Forests of Palawan

KBA-focused:
Conservation Assessment in Bataraza and Balabac, Palawan

Species-focused:
Emergency Action for Threatened Species in the Philippines

KBA-focused:
Expansion of the Mt. Hilong-Hilong Range Protected Landscape

Species-focused:
Project MAMBOOGOOK: Research and Conservation of Philippine Eagles in Central and Eastern Mindanao

KBA-focused:
Conservation of the Del Carmen Watershed Forest Reserve and Formulation of the Watershed Management and Development Plan

KBA-focused:
Socioeconomic and Environment Development of Bucas Grande Watershed

KBA-focused:
Conservation of the Taguibo Watershed Forest Reserve and Formulation of the Watershed Management and Development Plan

KBA-focused:
Empowering the Manobos of Mt. Magdiwata Forest Reserve Area to Effectively Manage their Ancestral Domain Claim

KBA-focused:
Building Civil Society's Capacity for Conserving Eastern Mindanao's Priority Sites

KBA-focused:
Participatory Biodiversity Assessment and Conservation of Mt. Hamiguitan Range, Davao Oriental and its Environs for Development
